Central Business District Street Rehabilitation Project CONSTRUCTION UPDATE

Cincinnati, November 1, 2004 – The City of Cincinnati today announced the Central Business District (CBD) Street Rehabilitation work schedule for the period of Monday, November 1 through Sunday, November 14:

- Concrete for new bus pads will be placed along the north side of 4th Street between Walnut and Vine streets and Vine and Race streets. Work will take place Tuesday through Friday this week, between 9 a.m. and 11 p.m. At least one lane of through traffic will be maintained at all times and two lanes will be maintained during rush hours.
- Curb repairs are scheduled for 4th Street, between Walnut Street and Central Avenue. Work will take place weekday evenings between 6 p.m. and 11 p.m.
- Final paving and striping is scheduled for Central Avenue from 6th Street to Ezzard Charles Drive. Work will be completed weekdays between 9 a.m. and 11 p.m.
- Final paving and striping is scheduled for Vine Street, between 12th Street and McMicken Avenue. Work will be completed during weekdays and, if necessary, on weekends.

Work for the \$3 million CBD Street Rehabilitation project is being performed by John R. Jurgensen Company, Inc. of Cincinnati and includes curb repairs, grinding and repairing existing pavement, and repaving with two courses of asphalt. In all, a total of nine lane miles will be rehabilitated under this contract. The street rehabilitation program is one way the City of Cincinnati is investing in its neighborhoods.

The Department of Transportation and Engineering oversees the rehabilitation and improvement of streets in the City of Cincinnati. The Department also is responsible for transportation planning, design, engineering services, structural and geological services, right-of-way regulation and construction management. It is the clearinghouse for all city and regional transportation functions, including serving as a liaison to the Southwest Ohio Regional Transit Authority (SORTA). Visit the Department's Web site at www.cincinnati-oh.gov for additional information and construction activities.
